Art Subscription Service

As a Club Member you have a unique access to our Club Collection and can enjoy great art in the comfort of your own home. We will pre-select a piece from the Club Collection and deliver it straight to your door. After one month, the Artwork will be collected and a new work delivered. While each rental period is subject to a separate Club Collection Hire Agreement, we work hard to ensure that the exchange experience is as convenient and seamless as possible.

Other Club Services

We believe in the power of the collective and are building a Club where everyone can engage with the process and the collection and get the best art experience possible. Alongside with the art subscription service, you will also get

- Access to the Atelier Club Community (through an online communication platform that facilitates chats, discussions, voting for new art acquisitions etc.)
- A Member's Discount on Food & Beverage in the Atelier Art Café (to be launched later)
- A Member's Discount on art acquisitions made through Atelier Club
- Exclusive access to educational materials on the artists and Artworks within the Atelier Club Collection
- Invites to exclusive art events organised by Atelier

Art Delivery & Collection

We will send you a text message a couple days prior to your due First Delivery or Exchange date. We will collect the previous work and deliver a new work for you. You will be encouraged to check the condition of the delivered work against its Condition Report. The same way, a Club's representative will check the collected Artwork against its Condition Report and will take photos of the Artwork (front and back). If any damage occurs, notes will be added to the Condition Report and detailed photographs of the damage will be taken.

At the Exchange, you will be asked to sign two forms. One for the collected work, confirming that the updated Condition Report is correct and that you have handed the work over to the Club. And the second one for the delivered work, confirming that you accepted it into your possession and that the work's condition matches the Condition Report.

Club Members are not liable for the costs of collecting the Artwork on the agreed Collection Date. Club Members must notify Atelier no less than 1 day prior to the Collection Date if they have to change the arranged collection timeslot or date. Should the Club Member fail to notify Atelier, Atelier reserves the right to charge an Additional Collection Fee for collecting the Artwork on an alternative Collection Date.

If no damage occurred during the rental period, the exchange shouldn't take more than a couple minutes.
